Welcome to the Registration Guide for the 12th annual Zimbabwean Music Festival. The Zimfest 2003 Organizing Committee is pleased to invite you to the second such festival to be held in Portland. This event brings together an international community of teachers, students, performers, and lovers of Zimbabwean music and dance for three days packed full of workshops, performances, presentations, community conversations, general visiting, and musical jams. Please join us and share the joys of Zimbabwean music and culture. We look forward to seeing you there!

Zimbabwean Guests

Yet again, the Festival will have wonderful teachers from Zimbabwe and North America. The following teachers who are traveling here from Zimbabwe have been confirmed: Forward Kwenda, Cosmas Magaya, Sheasby Matiure, Alport Mhlanga, and Fradreck Mujuru. U.S.-based Zimbabweans who will be part of the great teaching staff are: Joe Bayana, Tendekai Kuture, Peter Masundire, Paul Mataruse, Peter Matsikenyiri, Maria Minnaar, Jerry Mungadze, and Loveness Wesa.

“Beyond-Festival” Opportunities with Zimbabwean Guests

Many of the Zimbabwean artists will be here for extended stays. They may be available to come to your community to teach and perform. If you are interested, contact us at 2003@zimfest.org and we will connect you with them.

About the Site

Reed College, a well-known liberal arts college founded in 1908, is situated on a lovely campus with rolling lawns, magnificent old trees, winding lanes, a canyon, a natural pond and a creek running through it. The campus provides excellent facilities—all within close walking distance—for workshops, concerts, marketplace, meals, housing, and, of course, for just general hanging out. Downtown Portland is a 20-minute bus ride from Reed College. For more information, check out their website, www.reed.edu.

Pre-fest: Thursday, August 7

Pre-fest has become a standard offering of Zimfest. Here is the chance, before the action-packed festival, to settle in, to visit with friends as they arrive, or to connect with a teacher for a lesson in mbira or other musical arts on Thursday. The following teachers have indicated they are available: Erica Azim, Joe Bayana, Nabi Camara, Kite Giedraitis, Tendekai Kuture, Forward Kwenda, Russ Landers, Joel Laviolette II (in the afternoon), Joel Lindstrom (to teach NhemaMusasa with a band), Cosmas Magaya, Paul Mataruse (in the afternoon), Sheasby Matiure, Alport Mhlanga, Fradreck Mujuru, Ona, Sheree Seretse, and Wanda Walker. If a marimba ensemble wants to have a special session with a particular teacher on that day, please let us know so that we can arrange for a facility. Otherwise, Zimfest will not be involved with scheduling or dealing with payment. A reception for teachers, performers and sponsors on Thursday evening closes Pre-fest activities.

Something New!

For the first time, Zimfest will offer intensive workshops—that is, workshops of two-hour sessions per day that will continue over a period of two or three days. Most workshops will still be the one-time one-to-three hour sessions they have been until now. However, Zimfest 2003 wanted to offer the opportunity for students, who so desired, to spend more time on a piece(s), with an instrument and with the teacher. If this is popular, perhaps the next Festival will continue this type of offering.

Community Events

This year, as in past years, the festival hopes to foster an appreciation not only of Zimbabwean music, but also of Zimbabwean people – their language, culture, and history. In addition, we aim to provide information about the current crises in Zimbabwe and about ways in which we can help out, both individually and as a community. We also want to provide forums of general interest.

To this end, we have decided to offer several classes “by donation” (with the suggested donation being $5). By creating the donation system, we hope to make these offerings available to more people. Most of these classes still have size limits so they will fill on a first-come first-served basis. You cannot pre-register for these classes!

Please see the class description section of this guide for a full description of these presentations.

Children’s Programming

There are classes specifically for children scattered throughout the festival (see page 6). CHILDREN UNDER 8 MUST HAVE AN ADULT ACCOMPANYING THEM FOR ANY WORKSHOP. This year, we have changed the fee schedule. If the adult is only there to supervise the child and is not himself or herself taking the class, then only the child will be charged the class fee.

Children over age 8 are welcome to register for adult workshops provided they meet the prerequisites for the class. Please consider the child’s attention span and comfort level.

There will be no formal childcare facilities at the festival. If you choose to bring a child to a workshop or other event, please understand that it is your responsibility, out of respect for the teachers and other participants, to leave with that child if his or her needs are causing a distraction. A young child accompanying you in a workshop in which you are a participant must be prepared to sit quietly, and may not participate in the class.

Volunteers Requested

Each year the Zimbabwean Music Festival is run entirely by volunteers. We need tons of volunteers to help before, during, and after the Festival to make it happen. It’s a great way to get to know others in the music community and the feel-good-by-doing-good benefit is a free bonus!

We are asking that each participant donate 2 hours of volunteer time. On Thursday before the festival we need help with set-up including for instruments, signage and decorations. During the festival we need help to: move instruments and equipment; assist with workshops; staff registration table; be a “go-fer”; set up stage equipment; take concert tickets; provide concert security; clean up after concerts. On Monday, after the festival, we need help to tear down.

Please look over the list of volunteer opportunities on the Registration Form and choose the area(s) you are interested in. Someone (another volunteer!) will contact you. If you have any questions about volunteer opportunities, email Cary Pinard (cary@zimfest.org). We will do our best to make your volunteer experience fun and rewarding, but we cannot offer trades for your time.

Global Village Meeting And Zimbabwean Guest Forum

Sunday 11:45am-1:00pm

The usual topic for the first part of the Village meeting is deciding the site of the next year's festival. However, we encourage all of you to think about the site for 2004 now! We have found several areas of planning that benefit from having more than one year's lead-time (e.g. grant applications and musician sponsorships).

This year we have tried to find a time when everyone can attend the village forum and so it will be held in the amphitheatre (outdoors) over lunch. Bring your ideas about this festival, about Zimfest 2004, and about the community as a whole. Listen to Zimbabwean guests reflect on their experiences. All are welcome!
Registration Information

Registration Directions

To register for workshops, concert tickets, accommodations, and meals, please follow the instructions on the enclosed registration form and read the registration information below. See page 19 for more information and instructions on reserving accommodations and meals on campus. Because of the cost of putting on the festival, this year we find it necessary to charge a one-time non-refundable registration fee of $5/person, with a maximum of $10/family. Any surplus revenue will go back to the Zimfest Association for support of future festivals or donations to non-profit Zimbabwean organizations.

General Workshop Registration Information

You may either register by mail or on-line. If you register by mail, then you need to include your payment with your registration. If you register on-line, you have a choice of paying by credit card (on-line) or mailing in your payment. When registering for a workshop, please indicate a second choice for each workshop you choose. When registering for Intensives, please mark out all time slots that the class meets. Be sure to read the information about participant playing levels on page 6 before you choose your workshops. Out of courtesy to the teachers and other class participants, please do not sign up for any workshop that is beyond your level of experience. If the teacher deems that the class is above your level you may be asked to observe.

It will help us if you register early. All registrations forms and payments that are postmarked June 15 or earlier will be processed together. These registrations will be randomized to ensure equal chance at receiving first or second choices for workshops in a lottery. Your registration will not be processed until we receive payment. In late June or early July you will receive a letter or email confirming your registration and workshop schedule.

Registration forms and payment postmarked after June 15 will be accepted and will be processed on a first-come, first-served basis. For registration forms we receive by July 10, you will receive an email or letter confirmation of your registration and workshop schedule. Otherwise, your confirmation packet will be available at the Festival Registration Table. Do not mail any forms or payments after July 25; you will be able to register at the Festival Registration Table.

Regardless of your method of registration, you may check your current registration status, make changes, check the status of workshops (open/full), and find out about any changes in the workshops or schedule at our website: www.zimfest.org through August 1. All Zimfest participants should check in at the Festival Registration Table upon arriving at the Zimfest site. You will receive your concert tickets, final workshop schedule, site information, and updated information on workshops and other Zimfest activities.

Mail-In Registration

We will accept registration forms by regular mail only (no faxes), and they must be accompanied by a check or money order. Do not mail any registration forms after July 25; instead, come to the Festival Registration Table at Zimfest to register.

On-Line Registration

You may register on-line at www.zimfest.org. This year, you will be able to pay on-line with a credit card. A 3% charge will be added to your bill to cover costs for this service. Your registration will not be processed until we receive payment. So, you either need to pay on-line or send us a check or money order. If you pay by check or money order, include the Payment Voucher on page 19. To register, go to www.zimfest.org and click the link to Registration. Follow the instructions to create your user name and password. The on-line system allows you to control your own registration choices. You may make changes at any time up until August 25. The on-line registration system will be closed during an interim period while the lottery is being completed in late June.

FESTIVAL REFUND POLICIES

Cancellation Refunds

If you are unable to attend the Festival, requests for refunds will be accepted until August 1 (NO LATER). Refund checks, minus a $15 administrative fee (in U.S. funds), will be issued approximately one week after the festival.

Workshop Refunds

If you do not get into a workshop for which you have registered and paid, we will give you credit toward another workshop that you can register for BEFORE or DURING the Festival, as available. You may register for these additional workshops by mail or on-line, or you may wait until you arrive at the Festival. If, by the end of the Festival, you still haven’t used up your Zimfest 2003 credit, you may request a refund. We will place a refund box at the Festival Registration Table in which to place your request. You may also mail in workshop refund requests for one week after the Festival. We will not accept class refund requests postmarked after August 18. It is our goal to offer you so many great workshops that you won’t need a refund! You may also choose to donate your Zimfest 2003 refund to Zimfest Association or another nonprofit organization serving needs of Zimbabweans.

PARTICIPANT PLAYING LEVEL

In order for teachers to accomplish the goals of their classes, it is important that participants sign up for classes that are appropriate to their experience and playing level. Signing up for a class that is beyond your level creates major problems for the teacher and the other students. If the teacher deems that the class is above your level you may be asked to observe. Please refer to the following guidelines when choosing your classes.

Introductory: Appropriate for those who have never touched the instrument through folks who have played less than one year.

Advanced Beginning: These people have played the instrument at least one year. For marimba they can play a couple parts on at least five songs and for mbira they can play two songs.

Intermediate: For marimba, those who’ve played at least three years, can play a few parts on at least 10 pieces, have good technique, understand the rhythm, form and structure of the pieces, and can catch cues and understand how to move through sections. For mbira, those who know at least 5 songs and have played in both the kushaura and kutsinhira positions.

Advanced: Same as intermediate PLUS: learns quickly, is comfortable playing fast, has a strong sense of rhythm and at least 3 years playing at performance level. For mbira, able to learn a kushaura and kutsinhira part in one workshop.

His teachers have included Michael Breez, Farai Gezi, Chris Berry, Cosmas Magaya, Forward Kwenza, Newton Gwara, Tute, Irene, Julia and Garaziva Chigamba and many others. He performed with Marimba Mzuva for ten years, and has also performed with world beat improv ensemble Spirit Gate, mbira quartet Choto, and Zimbabwean roots dance band Zimfusion. This part-time wig maker also plays the chipendani.
Reed College has a beautiful campus and we have plenty of great dorm space available. Furthermore, the festival will be rewarded for Zimfest participants staying in the dorms – we will be charged less for the overall use of the facility. So please consider the dorms as your first housing option.

There is a tradition of late night singing, dancing and mbira playing at Zimfest. This year we have a spacious, comfortable lounge in one of the dormitories in which to hold these parties. Therefore, we will designate one dorm the “quiet dorm” and another dorm the “late night mbira party dorm”. Please specify on your registration if you have a preference.

Dorm space is charged per bed. If you are signing up as a couple know that you will be charged for two beds (these are two twin beds that can be pushed together). If you have children 14 and under, you can request a rollaway bed be brought in and be charged a lower rate. Children 2 and under are not charged. The dorms do not have cribs available.

The dorms have small kitchens and you are welcome to use them – ideally for keeping snacks, or for breakfast and lunch foods. The kitchen facilities are not large enough to prepare dinners (see below for details on the cafeteria).

Dorms rates for persons over 14 years of age are $35 per bed per night. Dorms rates for persons 14 and under using a rollaway bed are $10 per night. Children 2 and under are free.

We are not going to coordinate home stays this year. If you have extenuating circumstances please contact us and we will see if we can help.

Three hotels have offered festival discounts to Zimfest. However, you have to confirm the discount with the hotel as it may be cancelled if too few people avail themselves of this option. The hotels have deadlines by which time these rooms must be booked. Check with each hotel (Portland fills up fast in the summertime). None of these hotels are walking distance from Reed. They are a 15-20 minutes car ride and more by public transportation. Hotel tax is 11.5% (there is no hotel tax on dorm rooms).

Reed has an outstanding caterer for their cafeteria – Bon Appetit. They carry a great variety of foods including many excellent vegetarian dishes. We encourage you to eat with us on-campus. The dining area is indoor/outdoor and is central to the festival with a great vantage over the amphitheatre where the outdoor concerts will be featured. Your meal tickets will allow you to eat an entrée, make selections from the salad bar, as well as choose drinks and a dessert. The Zimbabwean dinner will also be prepared through Bon Appetit under the direction of Zimbabwean chefs. There will be plenty of food and no long waiting periods. Please purchase your meal tickets through the registration packet as the caterer cannot accommodate large numbers of festival-goers at the last minute. Unfortunately, there are no discounts for children.

- **Breakfast** $4.75
- **Lunch** $6.25
- **Dinner** $7.25

The Zimbabwean dinner will be the meal served on Saturday night and will cost $7.25.
